VHEAT MARKET IS FIRMER BETTER DEMAND ABROAD BOL

STERS UP THE CEREAL. -Decrease in Receipts at Chicago on Compared With

CHICAGO, Feb. 25.-Uneasiness regarding the growing crop and a better demand from abroad strengthened wheat to-day and May closed % May higher. Corn rose %c and outs % Whe. Pork, lard and ribs lost 2%

Same Time Last Year.

recent rains and reports from the country ter plant started wheat firm. May opened nged at from The to The The and the first couple of hours' trading was bid up to 74c. Chicago receipts were 102 cars, against 118 a year ago. Minneapclis and Duluth received 294 cars, compared with 306 for the same day last year. New with 265 for the same day last year. New York early in the day wired that the United Kingdom sent good bids for spring wheat and reported thirty-two boatloads disposed of for foreign shipment. The pri-mary Western market receipts were indica-tive of reluctance of farmers to make sales under apprehension for the growing crop, only 480,000 bushels being received at the chief Western centers. Bradstreet's stateunder apprehension for the growing crop.
only \$80,000 bushels being received at the
chief Western centers. Bradstreet's statement of the world's visible showed an increase for the week of 231,000 bushels, compared with 2,515,000 bushels decrease the
same week of the previous year. That
modified to a slight extent the builtishness
engendered by the other news. The Atlantic port clearances of wheat and flour
were equal to \$31,000 bushels. The market
continued firm, but 74c seemed an impassable barrier for May wheat. It butted
against those figures several times, but
was sent staggering \(^1\)c or so after each
attack and at the close \(^{12}\)252c was
the current price.

Diminishing receipts and their smallness
as compared with the movement at this
time last year strengthened corn. May
opened irregularly at from a shade lower
to \(^1\)c higher at \(^{12}\)4736\(^{12}\)c can
as compared with the remainder of the session and closed at \(^{12}\)c
but clung close to that price during the
remainder of the session and closed at \(^{12}\)c
cellers. Receipts were \(^{12}\)c cars, compared
with \(^{10}\)d the same day a year ago.

A good cash demand and heavy covering
by shorts helped oats. Receipts were \(^{12}\)c
cars. May opened a shade lower at \(^{12}\)c, covering
by shorts helped oats. Receipts were \(^{12}\)c
cars. May opened a shade lower at \(^{12}\)c, covering
by pork opened \(^{12}\)c file lower at \(^{12}\)c, \(^{12}\)c sellers.

The execution of stop-loss orders by
commission houses weakened provisions
early. Covering by shorts at the decline
brought about a slight reaction. May
pork opened \(^{12}\)cylie lower at \(^{12}\)c, sellers.

The execution of stop-loss orders by
commission houses weakened provisions
carly. Covering by shorts at the decline
brought about a slight reaction. May
pork opened \(^{12}\)cylie lower at \(^{12}\)c, sellers.

A Minneapolis message penerday said: Wheat to crive is in good demand at the May price. One Minneapolis milling firm took 75,000 bushels of theat yesterday at the May price to be over.

A No. 2 red wheat here. Argentine wheat is 26 cen-

The exports of oats from the United States for the week ending February 18, as reported by Bradstreet's, were 86,856 bushels; of barley, 10,450 bushels.

A Chicaso message quoted advices from Valparaiso, Ind., saying: "There has not been so much damage to wheat in twenty years." The writer thinks most of the wheat in his section is dead.

Yesterday's clearances for export at the four Atlantic ports were 15,540 bushels of wheat, 61,857 packages of four, 52,950 bushels of corn and 20,766 bushels of type. Total wheat and flour clearances amounted to 63,000 bushels, and corn 640,000 bushels.

The primary marked receipts yesterday were 377,000 bushels, and corn 640,000 bushels.

The primary marked receipts yesterday were 370,000 bushels of type 33,731 bushels, last year 280,000 bushels.

(Litingos bushels. shipments 42,800 bushels, a year ago 112,000 bushels, shipments 45,800 bushels, and 20,700 bushels, shipments 45,800 bushels.

(Litingos stocks of contract wheat increased 105,000

year 529,000 bushelt.
Chicago stocks of contract wheat increased 108,000 bushels, and they new include 128,000 bushels No. 2 red and 2,948,000 bushels of No. 1 Northern, 1,075,000 bushels in all. The contract corn stocks are 5,289,000 bushels, increasing 18,000 bushels, and of outs 446,000 bushels, increase 34,000 bushels. bushels, increase 34,999 bushels.
Findstreet's weekly report of changes in the world's visible supply of wheat is as follows: East of the Rocky mountains in the United States, decrease 109,009 bushels; in Europe and allost on the ocean, increase 40,000 bushels, total increase 201,000 bushels, against 3,16,6600 bushels decrease a year ago; corn

Increased 735,000 bushels, and oats increased 273,000 bushels.

The temperature generally is mild in the West, and cold in the Northwest. It ranges from 24 to 25 in Kansa, 38 to 50 in Missouri, and is in the 38 eastward. A cold wave is predicted for Missouri and states East. The temperature here will rise Wednesday or Thursday, and there probably will be a considerable snow storm along with the rise in temperature. It is 20 below zero at Bismarck.

Of the exports from the United States for the week ending Pehruary 17, United Kingdom points got 571,585 bushels of wheat, 412,907 bushels of corn, 151,301 bushels of corn; other Continental points, 615,251 bushels of wheat, 1965,800 bushels of corn, 21,065,800 bushels of corn, 21,065,800 bushels of corn, 21,009 bushels of corn and 7,564 barrels of flour.

Among the more important changes in the available supply the past week as shown by Bradstreet's and not otherwise reported were decreases of 250,000 bushels at Northwestern interior elevators, 228,000 bushels at Now Orleans, 63,000 bushels at Louisville and 56,000 bushels at Louisville and 56,000 bushels at Chicars entrate elevators.

City to Portland.

City to Portland.

Leaves Kansus City via the Union Pacific railroad every Thursday evening at 6:49 and runs through to Portland without change in severty-two hours. This is positively the quickest time made between Kansas City and Portland.

Maximum comfort at minimum cost is the principle upon which these curs are built and operated. Specially adapted to ladies and children traveling alone. A fine chance to see Denver. Passengers for San Francisco or Los Angeles taking berths in this tourist car do not have to leave the train between Kansus City and their destination, as the only change is stepping from one car to another en route in the middle of the day. Porters accompany each car. Ticket offices, 1000 Main street, 1008 Union avenue and Union Station. Telephone 1109. For further particulars call on or address J. B. FRAWLEY, Gen'l Agent.

Hogs Slow Sale and Lower-Packers Fair Buyers at 5c to 10c Decline

but medium and half fleshed which made up meet of the offerings were slow sale and some salesmen thought a little weaker. Cows were in better supply than for some days, yet they ruled steady and said without rouble. Some of the best killing lots were even firm. Stockers and feeders were in good demand and brought full old priess. Hange cattle, while in good supply, met with very fair market. Sales, however, were a little irregular. The best killers were firm, but the less desirable weak at Monday's prices. Milch cows in fair demand and steady. Combon, \$156718; medium to fair, \$25822.50; good to choice, \$15650.

INCREASE IN SOUTH CATTLE RECEIPTS.

An Active Demand for Aberde gus-A Falling Off in the Exports of Horses-Visitors at the Yards With Stock.

A few choice cattle were in yesterday

and they sold well. John Stork, of Pax-ico, Kas., was here with nineteen head of dehorned Shorthorns of his own feeding. They were a choice lot of killers, averag-ing 1,318 pounds. The Rogers Commission Company sold them at \$5.50, the higher price of the day. B. Balling took them an Eastern order. "There are the usual number of cattle

and hogs in Johnson county," said H. C. McCartry, who was at the yards yesterday with hogs and sheep. "Forn selling at 32 cents and roughness scarce. No losses from the recent blizzard." Among the cattle here yesterday worthy more than a passing notice were eighteen

Among the cattle here yesterday worthy more than a passing notice were eighteen head dehorned native steers. They were owned and fed by A. L. Noves, of Wabaunsec, Kas. They were smooth and fleshy and averaged 1.390 pounds. The Crider Live Stock Commission Company sold them at Company sold them at

"The number of cattle in Jefferson county is short," said J. R. Smith, of Dunavant, Kas., who was at the yards yesterday. "Hogs on hand about an average. Roughness plenty and corn selling at 2022 cents. No losses from the recent blizzard."

Packers got here yesterday 8,960 hogs and shippers 200. The receipts of Southern cattle have been running much heavier this year than last. Since the 1st of January, for the two months past, they were \$5,000, against \$8,500 the same time last year, making, an increase of 26,51%—a handsome beginning and a good lead in the race for supremacy among the Western cattle markets this season.

The receipts at Omaha for February show a falling off of 7,000 cattle and 5,000 hogs, but there is a gain of 2,000 sheep.

C. A. Clift, of Harper county, Kas., say the high price of feed is forcing fat calle on the market in his county, and there are but few now undisposed of.

The Hereford sales begin here to-day.

The Aberdeen-Angus cattle seem to have lost none of their popularity. C. H. Gardner, of Blandinsville, Ill., says that the transfers the past year reached 3.150, out of a registration of 3,450.

iransfers the past year reached 2.120, out of a registration of 2.450.
